E X P E R I E N C E

NOV 2022 – APRIL 2023

AVANIKA INFOTECH – INTERNSHIP

- Assisted in the development and maintenance of client websites, leveraging React.js and other front-end technologies.
- Collaborated closely with the development team to translate client requirements into functional web applications.
- Played a key role in optimizing website performance, enhancing user experience, and implementing SEO best practices.

SEPTEMBER 2021 – JANUARY 2023

KCI EDUCATINO - TRAINER

- Provided clear explanations of complex concepts, making the material accessible and engaging for students.
- Developed and implemented customized lesson plans to address each student's individual needs and learning styles.

P R O J E C T S

Camera Rental Website

Developed a user-friendly e-commerce to facilitate the rental of cameras and related equipment. The website allowed customers to browse available camera models, check rental prices, and make reservations online
